Retail Price: \$50.00

Our Price: \$45.00

Usage:

Begin by lightly lathering Skin Resurfacing Cleanser in hands. Apply to face and throat, massaging with light, upward strokes for at least 30 seconds, avoiding the eye area. Rinse thoroughly. Apply MultiVitamin Power Recovery® Masque to face and throat. Allow to absorb for 10 to 15 minutes, then gently, yet thoroughly, rinse with warm water. Apply once per week or whenever skin requires a soothing remedy. Next, spritz Antioxidant HydraMist directly on to face and neck with eyes closed. Use morning and night or throughout the day as a refreshing spritz. Dispense a small amount of MAP-15 Regenerator onto fingertip and gently pat directly on areas where signs of aging are prominent. Or, mix MAP-15 Regenerator™ with Dynamic Skin Recovery SPF30 and apply to face and throat for all over firming and daylight defense. Apply MultiVitamin Power Firm around the eyes to help firm while smoothing fine lines. Last, apply Renewal Lip Complex to lips for long-lasting conditioning. Use twice a day or whenever lips need a conditioning boost.

Dermalogica - AGE Smart Multivitamin Hand and Nail Treatment

Product ID: 35763

Recommended for the smart management and treatment of skin aging. An intense, non-greasy treatment that conditions dry, rough hands while helping to reduce nail splitting and peeling. Pro-Vitamin B5 (Panthenol) and Soothing Algae Extract hydrate and provide an invisible barrier. Licorice Extract and Vitamin C help even out skin tone while Vitamin A (Retinol) helps reverse the signs of premature aging. Extracts of Ginkgo Biloba and GRape Seed plus Vitamin E help guard against environmental damage, while quick-absorbing conditioners leave hands smoother and nails healthier. Contains no artificial fragrance or color.

Retail Price: \$24.00

Usage:

Apply to hands and nails at least once a day with a light massaging motion. Use more frequently during dry or cold weather.

Dermalogica - Antioxidant Hydrating Mist

Product ID: 27833

A refreshing antioxidant shield with flash-firming properties to improve skin texture while intensely hydrating dry, dehydrated skin. Convenient mist-on formula supplements skin's protective barrier by creating an active antioxidant shield of White Tea, Licorice and Vitamin E to fight damaging free radicals, while a patented polypeptide helps prevent the signs of aging caused by Advanced Glycation End-products (AGEs - a damaging byproduct of sugar/protein reactions in the skin). A highly-active Vitamin C complex, combined with collagen-stimulating peptides, encourages firmness and elasticity to help reduce the appearance of fine lines. Hyaluronic Acid acts as a hydration magnet to quench dehydrated skin while Pea Extract creates instant firming action to lift and tighten. Rose and Clove extracts comfort and refresh skin. Contains no artificial fragrance or color.

how it works

Arginine/Lysine Polypeptide is a peptide that acts as a "sugar trap," binding sugar to itself to help prevent the formation of AGEs: a sugar-protein molecule that leads to stiff, cross linked collagen.

Magnesium Ascorbyl Phosphate is a non-acidic, stable form of Vitamin C that stimulates collagen

formation, provides critical antioxidant protection and inhibits MMP enzymes that contribute to collagen breakdown.

Palmitoyl Tripeptide-5 stimulates collagen synthesis, helps firm skin and overrides the effects of MMPs. Activates Tissue Growth Factor (TGF), a peptide that is required in its active state for collagen production to occur.

Bambusa (Bamboo) Vulgaris Extract and Pisum Sativum (Pea) Extract helps stimulate Hyaluronic Acid formation for increased hydration and elasticity.

Retail Price: \$37.00

Our Price: \$35.20

Usage:

After cleansing, spritz directly onto face and neck, avoiding the eyes. Also ideal as a refreshing spritz over make-up throughout the day.

Dermalogica - Body Hydrating Cream

Product ID: 27834

An advanced body cream formula with hydroxy acids and essential plant oils to smooth and condition the skin.

Hydroxy acids from Sugar Cane and Apple combined with Lactic Acid, smooth and relieve skin dryness.

The anti-inflammatory properties of Green Tea, Lavender, Tea Tree and Chamomile oils soothe and soften the skin, while essential oils of Sandalwood, Orange, Clary Sage, Patchouli and Rosemary help to hydrate the skin and lock in moisture.

Contains no artificial fragrance.

Retail Price: \$45.95

Retail Price: \$65.00

Usage:

1. Press 6-10 drops onto skin.
 2. Apply a thin layer of Contour Masque over face, neck and eye area.
 3. Additional ChromaWhite TRx Complex can be pressed into skin prior to moisturizer application.
- Optional: For increased penetration and results, use with Galvanic Current on the negative polarity (2 minutes) and positive polarity (4 minutes).

Dermalogica - Clearing Mattifier

Product ID: 26273

Recommended for acneic and break-out prone skin, or areas of excess oil production. A medicated topical treatment that clears breakouts, reduces congestion and controls shine. Organic Silicones melt gently into skin to help diminish fine lines and smooth skin texture while providing an all-day matte finish. Niacinamide, Zinc Gluconate, Yeast Extract, Caffeine and Biotin purify and inhibit overactive seaceous activity while Salicylic Acid clears congested follicles to minimize future breakout activity. Cinnamon Bark Extract helps reduce comedones and calming Green Tea and Chamomile soothe inflammation associated with breakouts. Contains no artificial fragrance or color.

Retail Price: \$42.00

Usage:

Cleanse the skin thoroughly before applying. Cover entire affected area with a thin layer one or two times daily. If bothersome dryness or peeling occurs, reduce application to once a day or every other day. Can be used under makeup, or alone in oily-prone areas, to reduce oily shine.

Dermalogica - Clearing Skin Wash - 16.9 Fl Oz

Product ID: 26272

Recommended for acneic and breakout-prone skin. This non-irritating, naturally foaming cleanser is the perfect start to around-the-clock control of breakouts, comedones and excess surface oils. Salicylic Acid sloughs off dead skin cells to clear clogged follicles, helping to prevent future breakout activity. Soothing, naturally antiseptic extracts of Balm Mint, Eucalyptus, Tea Tree, Burdock and Camphor calm congested, aggravated skin. Skin is left clean and prepped for optimal absorption of acne control treatment ingredients. Contains no artificial fragrance or color.

Retail Price: \$49.50

Our Price: \$47.00

Usage:

Work a pea-sized amount into a lather in wet hands. Apply to dampened face and throat, massaging in circular motions while concentrating on areas of congestion and oiliness. Avoid eye area. Clearing Mattifier 0.50 FL OZ: A medicated topical treatment that clears breakouts, reduces congestion and controls shine while smoothing skin texture and diminishing fine lines.

Overnight Clearing Gel 0.50 FL OZ: Help clear skin with this overnight treatment designed to remove impaction plugs, eliminate bacteria and reduce excess sebum to help prevent future breakouts.

Concealing Spot Treatment 0.10 FL OZ: An intense spot treatment containing concentrated Sulfur to quickly dry breakouts, while natural tint helps conceal breakouts. Ideal for people sensitive to Benzoyl Peroxide.

Sebum Clearing Masque 0.75 FL OZ: A cooling, deep-cleaning clay masque that purifies skin, refines skin texture and strengthens the follicle membrane to control inflammation.

Oil Control Lotion (sample): A hydrating, oil-free, feather-light lotion containing additional microsponges to help absorb even more oil on skin's surface and maintain an all-day matte finish.

Retail Price: \$50.00

Our Price: \$45.00

Usage:

Begin with Clearing Skin Wash, a non-irritating cleanser that washes away excess surface oils, helps clear congested follicles and calms inflammation. Lather in wet hands and massage in circular motions over face and throat, avoiding eye area. Rinse with warm water. Next, apply Clearing Mattifier to help smooth skin texture, diminish the appearance of fine lines, clear congestion and control shine. Apply a thin layer to areas prone to excess oil production and breakouts, such as in the T-zone. Follow with Oil Control Lotion, a hydrating, feather-light oil-free moisturizer containing microsponges to reduce oily shine for an all-day matte finish. Apply with light, upward strokes to areas where Clearing Mattifier was not used. At night after cleansing, apply a thin layer of Overnight Clearing Gel to help slough off pore-clogging skin cells, promote skin clarity and aid skin clearing. To treat breakouts during the day, apply Concealing Spot Treatment, a naturally-tinted, intense spot treatment containing concentrated Sulfur that quickly dries breakouts. Two to three times per week apply a smooth layer of Sebum Clearing Masque after cleansing. This cooling, deep-cleaning clay masque purifies and absorbs excess surface oil. Use over entire face and throat or exclusively in the T-zone, avoiding eye area. Remove after 10 minutes with warm water.

Use opened vial within four weeks.

Dermalogica - PreCleanse

Product ID: 35700

Recommended for all skin types. The professional's deep cleansing weapon! Achieve ultra clean and healthy skin with a double cleansing regimen that begins with PreCleanse.

This plant-based cleansing oil, fortified with Olive and Kukui oils, thoroughly melts layers of excess sebum (oil), sunscreen, waterproof make-up, environmental pollutants and residual skin products that build-up during the day. When water is added it transforms this hydrophilic (water-loving) formula into a milky emulsion, easily rinsing away oil-based debris from the skin's surface and allowing your recommended Dermalogica Cleanser to penetrate even further for professional cleansing results.

Formulated with conditioning Rice Bran and Vitamin E oils, this gentle blend can be used around the eye area to even remove waterproof mascara. Offers a deep cleansing ideal for even the most oily skin conditions. Contains no artificial fragrance or color. Professional recommendation advised.

- Use as the first step of your Dermalogica Double Cleanse, and follow with your recommended Dermalogica Cleanser.
- A blend of rich oils melts through oil and oil-based debris that collects on skin throughout the day.
- Vitamin E Oil, a rich antioxidant, helps improve skin smoothness and softness.
- Caprylic/Capric Triglyceride: is an emulsifying agent that is activated by the addition of water to release the bonded oils from the skin's surface.

Retail Price: \$34.00

Usage:

Dampen face and neck, apply a dime size amount of Dermalogica PreCleanse to the fingertips and massage into skin with a circular motion. Rinse well. Follow with appropriate cleanser in Dermalogica line.
