**advanced resKue - Eye Lightening Gel with Vitamin K**

Product ID: 18956

Eye Lightening Gel is an effective combination of proven ingredients Vitamin C, Vitamin K, Kojic Acid, and plant extracts which combat both superficial and underlying causes of sub-orbital hyperpigmentation (dark under eye circles).

It promotes collagen formation, thereby increasing capillary blood circulation, retards capillary leakage, reduces melanin production, and speeds the reabsorption of fluids back into the body to reduce swelling in the vulnerable eye area.

**Retail Price:** \$34.00

**Usage:**

A light gel with seven proven natural ingredients that will diminish the appearance of dark under eye circles. Pat gently on areas below lower eyelids twice daily. For external use only. Avoid direct contact with eyes.

**advanced resKue - Topical Vitamin K Cream 5%**

Product ID: 18955

Topical Vitamin K Cream 5% combines several of the most advanced ingredients available today in the cosmeceutical industry.

Along with Vitamin K are the beneficial additions of Vitamins B, C, & D, strong antioxidants; Vitamin E, an antioxidant with dermal revitalization and moisturizing benefits; Vitamin A, a moisturizing emollient with balance and retain moisture; and aloe barbadensis, a humectant with anti-inflammatory properties.

**Retail Price:** \$49.00

**Usage:**

Apply to moist skin twice daily to bruises or broken blood vessels. Do not apply to broken skin, mucous membranes, or into the eyes.
